Cost for service for open forty (40) cubic yard dumpster: \$584 per container

Cost for additional pick-up: \$112

Cost for compact waste collection unit: \$449

**Please see service billing rates below (Year 5 – Optional Renewal):**

Cost for service for 375,000 cubic yards (est.) annually: \$2.54 per cubic yard

Cost for service for open forty (40) cubic yard dumpster: \$601 per container

Cost for additional pick-up: \$115

Cost for compact waste collection unit: \$489

Using the guide above, complete the posted pricing file labeled “New Appendix I - Waste Services Locations Quantity Sizes and Frequencies”. Provide a cost by location for each contractual year (including the renewal options)

For example: for zone 1, you will provide a cost by location for Year 1, Year 2, Year 3, Year 4 and Year 5. The total for each year will calculate automatically. You will do the same for each zone. You should only fill in Column H. Please submit the excel file on your USB drive with your proposal. Do not PDF the file.

**\*\*MSCS reserves the right to award one or more vendors.**

**\*\*MSCS reserves the right to add or remove locations.**
