QUESTIONS AND ANSWERS

IFB 05022025DEM Point of Sale Computers

1. Would you prefer Windows 11 Pro or Windows 11 IOT for the operating system?

   Answer: Windows 11 Pro

2. Do you require WIFI capability on these devices?

   Answer: Yes

3. I did not see a reference to the software to be provided on the POS systems. I am assuming the state has already secured a software vendor to provide the Point-of-Sale software or should our quote include the software as well?

   Answer: The Point-of-Sale Computers will also use Heartland Food Management Software.

4. Since I peeked for deadlines and I saw questions due on April 16, and April 16 is Wednesday. Can you please confirm if the question deadline is tomorrow at 11am CST and it wasn't today CST?

   Answer: The deadline for questions to be submitted is Wednesday April 16, 2025 @ 11:00 AM.

Thank you,

Procurement Services
