QUESTIONS AND ANSWERS

IFB 06032024MES 2024 - 2025 Canned and Pouched Fruits and Vegetables

1. For the Mandarin Oranges, will you accept broken segments and/or whole segments?
Answer: We are looking for whole segments for the mandarin oranges.
2. Also, on page 11, it states “Pallets containing cases of six number ten (#10) cans shall have no more than **fifty-six (48)** cases per pallet to eliminate overhang.” Can you please clarify the highlighted portion?
Answer: For dry storage items, there must be 48 cases per pallet.
3. In the past Atlantic was awarded the Tropical Fruit Cocktail, item #703042. Will you please confirm you meant to list this item number, i.e. #703042 as the Approved Brand and not #703072?
Answer: Please send a sample (1 can) of your Tropical Fruit product so that we can verify the product.

Thank you,
