### QUESTIONS AND ANSWERS

#### **IFB 03112024SB Whitehaven HS Barbershop and Cosmetology Reno**

1. Is there an architectural drawing of desired design of barbershop? **No**
2. Will the ceiling tile need to be replaced, did not see in scope of work? **No**
3. Are there any existing plans or drawings of the space that is being converted to barbershop? **No**
4. Who is the contact for walkthrough with other trades/ subcontractors?  
**Cedric Smith, Rodrick Pack, Marion McClendon, Keith Chalk (electrical) and Thomas Wilson (plumbing)**
5. Is there a drawing/ plan of the desired stud wall/door in electrical room for washer and dryer? **No**
6. Is there a plan or sketch going to be issued for the project? **No**
7. Where is the existing plumbing system tie-in location for the RM#D110? **See Plumbing plan**
8. Washer? **Mr. Wilson can answer this but we discussed using the plumbing from the sink off that wall by the closet.**
9. Found on Pg 14. #4 Flooring. "Replace loose tile with perfect match" and "if this process is unattainable removal of current flooring and replace with LVT. Is this correct? **Yes**
10. And if so, since there are other floor patch that do not match in the space, is this necessary? **Yes**
11. Also, the section request an alternate for painting / staining existing concrete floor? There is no Alt pricing requested on the bid form. Will this be revised?  
**Alternate pricing of \$10,000 which would include demolishing the existing flooring and preparing for the flooring for painting or staining.**
12. Under 5. Cabinet Demolition states to remove cabinets completely. Will the fur down above the cabinet area also be demolished? **Demolish the fur downs, but also be careful and verify that no plumbing or electrical is located within the fur downs if so, they will have to be relocated.**
13. Under 6. Plumbing it states "keep the sinks". Since the sinks are lay in with the cabinets to be demolished, does this statement mean return to owner? **We are replacing the sinks with shampoo bowls.**
